Certificate of Approval

This is to certify that the Management System of:

Deutsche Edelstahlwerke Services GmbH

Auestraße 4, 58452 Witten, Germany

has been approved by LRQA to the following standards:

AS9100D (technically equivalent to EN 9100:2018, JISQ 9100:2016 and KS Q 9100:2018)

This certification has been performed in accordance with the requirements of EN 9104-001:2013

LRQA Limited is accredited under the IAQG ICOP scheme

Certification Structure - Several Sites

Approval number(s): AS9100 - 0020697

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Development, production and distribution of crude steel, bars, bright steel, wire rod, wire products and components according to customer drawings made of high-grade, tool, stainless, special rust and heat-resistant steels including the associated mechanical-technological, physical and non-destructive tests.

Marta Escudero

Regional Director, Europe

Issued by: LRQA Limited

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

Issued by: LRQA Limited, 1 Trinity Park, Bickenhill Lane, Birmingham B37 7ES, United Kingdom

Certificate identity number: 10636578

Certificate Schedule

Location **Activities**
